THE BUSINESS SUITE

The Learjet 60XR's cabin, with its five ergonomic seats that swivel and recline and 2-seater divan, is an oasis of comfort designed for seamless business productivity and serene conversations.

The spacious cabin boasts ample legroom, large side tables for work or dining, and reduced noise for a private, serene flight experience that sets the standard in its class.

THE FAMILY SUITE

The Learjet's cabin redefines private jet travel with exceptional legroom, swivel and recline seating, entertainment options like bulkhead-mounted displays and DVD player, all meticulously designed for comfort, rest, and engaging group interactions.

THE AIR AMBULANCE

This jet comes fully supplied with state-of-the-art equipment and medicines. A team of qualified experts travels with the patient to provide emergency care during the flight.

ASM international team of aviation specialists will assist with worldwide air ambulance charter consultations, ensuring the quickest response possible.
